

# Saif Narpali

## About me

---

Hi, I'm Saif. I'm a highly passionate self taught web developer with love for turning designs into fully functional responsive websites. I don't like to define myself by the work I've done. I define myself by the work I want to do. Skills can be taught, personality is inherent. I prefer to keep learning, continue challenging myself, and do interesting things that matter.

## SKILLS

---

- HTML5
- REACT.JS
- REDUX
- CSS3
- NEXT.JS
- TAILWIND CSS
- JAVASCRIPT
- GIT
- WINDOWS

## EXPERIENCE

---

### *Amazon 2.0*

Amazon 2.0 is a clone attempt of the popular e-commerce store Amazon.com. Powered by FakeStoreAPI for dummy products data and Firebase OAuth authentication with google login. [View Live](#) or checkout previews on [Github](#).

### *ShareMe*

ShareMe is a FullStack social media platform inspired by Pinetrest for sharing ideas with photos, illustrations and more. Integrated with SanityCMS for a hasslefree backend service for storage. Easy authentication with Google OAuth. [View Live](#) or checkout previews on my [Github](#) account.

### *NotYouTube*

NotYouTube is a video streaming platform powered by YouTube's own API and secured by Google Auth. [View Live](#) or checkout previews on my [Github](#).

### *Medium 2.0*

Medium 2.0 is a blogging website based on SanityCMS for quick backend services for publishing new content. Powered by TailwindCSS for lightweight CSS bundles
